

13-MAJITHA — DETAILED BOOTHWISE MASTERPLAN

Tactical Field Operations & Ground Directives based on 2022 Vidhan Sabha vs 2024 Lok Sabha Dataset

1. Operational Framework & 90-Day Engagement Cycle

This masterplan provides actionable ground interventions for every polling station in 13-Majitha. Each booth is allocated a tailored operational sequence focusing on cadre empowerment, farmer dialogues, welfare guarantee delivery, and Panthic community re-engagement.

- Days 1–30: Cadre Audit & Mobilization — Form 12-member booth units in all 39 AAP won booths; designate 2 booth captains in deficit areas.
- Days 31–45: Direct Village Grievance Sessions — Listen to rural farmers regarding irrigation, canal water supply, and health clinic access.
- Days 46–60: Inter-Departmental Grievance Resolution — Track civic and canal works, resolving key village pain-points.
- Days 61–75: Round 2 Re-Engagement — Direct contact with 50 key rural influencers and trader committees per booth.
- Days 76–90: Audit & Electoral Roll Readiness — Finalize booth committees and electoral roll verification for 2027.
